- MAPC discussed their role to set overall strategy, annual priorities and to review performance/impact of volunteer structures. Desire to consolidate overlapping IPEM strategies into a single, clear framework.
- MAPC discussed moving from ad-hoc email ideas to a structured section of the website for submissions.
- NL demonstrated the Power BI dashboard built to display live status (group, sponsor, outputs, dates, progress). Plan to embed on website.
- Decision for EPSC/STEC to 'sponsor' TFGs, encourage quarterly updates and close inactive items; standard templates to be issued.
- Large list of IPEM External Reps requires prioritisation, creation of rep management process with publication of up-to-date rep list for member visibility on website
- 8 strategic themes were decided on and prioritised for 2026. The themes are; Workforce Development & Support, Influence & Engagement with NHS (Four Nations), Networks and Voice, Clinical Engineering (Positioning and Standards), Molecular Radiotherapy and Bone Densitometry.
