
PSC Report

IPEM

PSC – Member led, Staff managed

- PSC membership is a mix of IPEM members (and professions) and IPEM staff.
- (A special mention goes to Afsana Choudhury (Training Development Officer) for her support of PSC)

The screenshot shows the IPEM website's 'Professional and Standards Council' page. At the top, the IPEM logo is on the left, and navigation links (What's On, Get Involved, Learn, Your Career, About, Resources, Latest news, Search Q, My account) are on the right. Below the navigation bar, a breadcrumb trail reads 'IPEM > About > Organisational Structure >'. A large pink-to-orange gradient banner contains the title 'Professional and Standards Council' in white. Below the banner, a paragraph describes the PSC's role: 'The Professional and Standards Council (PSC) oversees and coordinates the Institute's educational, training and professional activities including: Accreditation, Training Schemes, Continuing Professional Development, Membership and Registrations, Standards and Workforce. PSC also approves task and finish group proposals.' This is followed by a section titled 'Membership of PSC 2024-2025' which lists the following roles and names: Director – Professor Carl Rowbottom, Deputy Director – Mr Robin McDade, Member – Miss Ladan Najafi, Member – Mr David Hall, Member – Ms Karen Bradley, Member – Miss Anna Stec, Member – Mr Bob Wheller, SIG Chair Representative – Dr Susan Doshi, IPEM Director of Education and Professional Development – Katherine Bunting, IPEM Director of Communities – Paul James, and IPEM Training Manager – Lauren Knight.

IPEM > About > Organisational Structure >

AUTHORS

Anna Stec, Senior Project Manager, NHS England
Michael Bernard, Engineer, Siemens healthcare Limited

EDITORS & CONTRIBUTORS

Edward Chapman, Head of service - Clinical Engineering, Cardiff and Vale UHB
Shaun Atherton, Head of Service, Med Phys and Engineering, The Christie NHS FT, Manchester
Laura Metcalfe, Head of Service, Medical Equipment Management, NHS Greater Glasgow & Clyde
Simon Townsend, Senior Engineer, Radiotherapy Physics, Poole Hospital
Richard Stubbs, Risk Manager, Aneurin Bevan University Health Board University Hospitals
Victoria Kidgell, Lead Clinical Scientist, Sheffield Teaching Hospitals NHS FT
Richard Coldrick, Senior Operations Manager, Elekta Limited
Christopher Taylor, Sustainability Lead UKI, Government & Public Affairs, Electa Limited
Peter Chase, Service Director, North Europe, Fujifilm Healthcare UK
Delcian McGregor, National Service Delivery Manager, Coventry and Warwickshire NHS Trust
Clara Ferreira, Technologist, Nuclear Medicine, Royal Victoria Hospital, Belfast Health & Social Care Trust
Mike Chan, Engineering Technologist, Clinical Engineering & Physiological Sciences

SPECIAL ACKNOWLEDGEMENTS

Special Acknowledgement to the Clinical Engineering SIG members for the provided feedback and comments

ipem.ac.uk

PSC In-Year Approvals Completed

- Nuclear Medicine Workforce Survey Full Report
- MRSE Recertification Process
- Updated Position Statement on Routes of Entry to Clinical Scientist Registration
- Redeveloped Clinical Technologist Training Scheme
- IPEM endorsement on UKHSA Publications from Radiotherapy Board
- Non-ionising radiation workforce survey report 2024
- MPACE External Representative
- Advanced Radiotherapy e-Learning (with NHS England and SCoR) Content Authors
- Technologist Scope of Practice for Non-ionising Radiation and Ultrasound
- Right to Repair position statement
- Diagnostic Radiology and Radiation Protection Workforce Survey 2024
- New Deputy Scheme Lead for CTTS
- New Chair of CPD Audit Committee

Active PSC Task and Finish Groups

- STP Guides
- Ultrasound Education
- Practical Implementation of Clinical Risk Management
- Clinical Engineering (EBME) Staffing Levels Guidance Development Group
- MR Physics and Workforce Planning and Development – Completed this year
- Ultrasound and Non-Ionising Technologist Registration – Completed this year

Other Notable Activities

- Non-surgical oncology Advanced Practice Framework – PSC provided feedback that they had significant concerns regarding the requirement for statutory registration for advanced practice roles and these comments were taken on board
- Supporting the campaign for statutory registration for Clinical Technologists
- Overseeing the development of the Future Skills Commission (Chaired by Robin McDade) - <https://www.ipem.ac.uk/get-involved/future-skills-commission/>

Proposal

- That Dr Jennifer Dennis be appointed Deputy Director of Education and Professional Standards Committee
