MPE Update 2026 Programme - Wednesday 29th April: Afternoon Sessions

12:40 13:40

Lunch & Exhibition

DR/RP Stream

NM Stream

RT Stream

13:40 14:10

The revised CoR, IPEM, RCR and UKHSA clinical imaging guidance following the IR(ME)R Amendment Regulations 2024
Matt Dunn, Nottingham University Hospitals NHS Trust

ARSAC update

Dr Amina Powell, Senior Clinical Officer, UKHSA

Supporting MPE Portfolio Writing

Clare Anderson, East and North Hertfordshire Teaching NHS Trust

14:10 14:30

Navigating MR Safety as a non-MR physicist
Holly Elbert, University Hospitals Bristol and Weston NHS FT

Non-Medical Referrers in Nuclear Medicine
James Gray, Royal Surrey NHS Foundation Trust

Incident Case Study
Nick Harding, HUTH NHS Trust

14:30 14:50

Introduction to second edition of IPEM Report 91
Debbie Saunders, Oxford University Hospitals NHS Foundation Trust

Procurement, acceptance testing and commissioning of a gamma probe for an isolated limb perfusion service
Allison Craig, Royal Marsden NHSFT

Running a successful and safe HDR gynae service with limited MPEs
Katie Mchugh, Mid and South Essex NHS FT

14:50 15:10

Towards Better Radiology Physics
Jonathan Cole, Royal Free London

DXA T-Score Clinical Evaluation Error Following a Software Configuration Change: Investigation, Reporting, and Regulatory Learning
Amie Roberts, Cardiff and Vale UHB

Advancing Safer Radiotherapy update
Helen Best, Senior Clinical Officer, UKHSA

15:10 15:40

Coffee Break

15:40 16:10

Hot Topics - Round Table
