2. Making a complaint to IPEM

- 2.1 Any person, including the Chief Executive of IPEM, may bring a complaint against a member.
- 2.2 Members of IPEM have a duty to bring a complaint against a member where it is in the public interest to do so.
- 2.3 A complaint can only be brought against a current Member, but a complaint can be made in relation to any conduct resulting in a criminal conviction or regulatory determination that took place prior to the period of IPEM membership, where such matters were not disclosed by the Member at the time of joining IPEM or have come to light after that time.
- 2.4 Any person wishing to make a complaint should complete the online complaint form or write to complaints@ipem.ac.uk or The Institute of Physics and Engineering in Medicine, Fairmount House, 230 Tadcaster Road, York, YO24 1ES to ask for a downloadable or paper copy of the complaint form which they can complete offline and return by post or email.
- 2.5 Any valid complaint received by IPEM after December 8th, 2025 will be handled under this Complaint Resolution Procedure.
- 2.6 A complaint will only be considered valid under this Procedure if the complaint falls within 2.3 above and relates to the conduct of a Member who has allegedly failed to comply with the IPEM Code of Professional and Ethical Conduct.
- 2.7 A complaint will usually proceed only when any related proceedings, such as court, tribunal, or those of a relevant regulatory body, in which the outcome may have a bearing on the IPEM complaint resolution procedure, have been completed.
- 2.8 The Chief Executive of IPEM may bring or take over the conduct of complaints against Members in circumstances including, but not limited to the following:
 - 2.8.1 where there is a strong public interest, but no separate complaint has been made by another person, such as criminal convictions or media reports
 - 2.8.2 where the person who made the complaint is unwilling or unable to effectively pursue the complaint on their own behalf, due to their health or vulnerability or otherwise.

3. Initial consideration of a complaint

- 3.1 All Complaints received by IPEM shall be handled in the first instance by IPEM's Complaint Resolution Advisor. The Complaint Resolution Advisor will be appointed by IPEM in accordance with section 17.1 below.

- 3.2 The Complaint Resolution Advisor will first check that any potential Subject Member in any complaint is a current member of IPEM and the date and nature of the alleged conduct.
- 3.3 The Complaint Resolution Advisor may contact the Complainant to seek clarification on any matters that are unclear. They will also advise them of the nature of this Complaints Resolution Procedure and provide them with a copy by post or email.
- 3.4 When any circumstances which could reasonably form the subject matter of a valid complaint under 2.6 above come to the notice of the Complaint Resolution Advisor, they are to be reported to the Complaints Reviewer. The Complaints Reviewer will be appointed by IPEM in accordance with section 17.2 below.
- 3.5 The Complaints Reviewer, with the assistance of the Complaint Resolution Advisor, will determine whether a complaint can proceed or whether it should await the outcome of any related proceedings, such as court, tribunal, or relevant regulatory body proceedings, where the outcome may have a bearing on the complaint being considered under this Procedure.
- 3.6 The Complaints Reviewer, with the assistance of the Complaint Resolution Advisor, will then determine whether the complaint is valid under paragraph 2.6 above and whether the complaint is to follow the summary procedure or the full complaint resolution procedure.
- 3.7 The summary procedure will apply where a complaint arises from a matter that that has been adjudicated in a court or tribunal in the United Kingdom or has been subject to investigation and determination by a relevant regulatory body, where the outcome provides prima facie evidence of a breach of the IPEM Code of Professional and Ethical Conduct (see 2.6 above).
- 3.8 If a complaint contains multiple allegations, the summary procedure can only be used in relation to any parts of the complaint which fall within 3.7 above and any other parts of the complaint requiring resolution may be referred to a full hearing to take place thereafter, if appropriate.
- 3.9 Where a complaint is considered valid and is not subject to the summary procedure, the parties to the complaint shall be required to consider mediation (see Section 7 below). Where mediation is not possible or fails, a complaint will proceed to a Complaint Resolution Panel.
- 3.10 The Complaint Resolution Advisor may also advise the complainant of possible alternative resolution routes that may be available, such as referral of the complaint to the Subject Member's employer, use of an alternative mediation process or making a referral to a regulator or to the police. This is an option available at any time while managing a complaint.

- 3.11 The Complaint Resolution Advisor will notify the complainant and the Subject Member in writing of any decisions of the Complaints Reviewer under 3.5-3.9 above
- 3.12 The complainant has the right to request an independent review of an initial decision by the Complaints Reviewer to close their complaint under 3.6 above, in line with the procedure set out in Section 4 below.

4. Review of initial closure decision

- 4.1 If a complainant wishes to seek an independent review of an initial decision by the Complaints Reviewer to close their complaint under 3.6 above, a request should be made in writing to the Complaints Reviewer, not later than 14 days after the date of the notification of the Complaints Reviewer's decision.
- 4.2 A review under 4.1 will only be considered if:
 - 4.2.1 the decision was flawed, or there was an unresolved procedural irregularity in the procedure by which the Complaints Reviewer reached the decision, or
 - 4.2.2 new evidence has arisen that materially alters the evidence previously before Complaints Reviewer.
- 4.3 The complainant's request under 4.1 above must state the grounds for the review and include any new supporting evidence or material.
- 4.4 Upon receipt of a request under 4.1 above, the Complaints Reviewer shall appoint an Adjudicator to consider the review, with the support of the Complaint Resolution Advisor and any legal advisors appointed by the Institute.
- 4.5 The Adjudicator will then consider all the written material relating to the complaint, the decision of the Complaints Reviewer, the request for a review and any new evidence provided by the complainant.
- 4.6 The Adjudicator will then decide if the complaint or any part of the complaint is valid under 2.6 above and if so, whether the complaint is to follow the summary procedure or the full complaint resolution procedure.
- 4.7 The Complaint Resolution Advisor will notify the complainant and the Subject Member in writing of any decision of the Adjudicator under 4.6 above.
- 4.8 There is no further right of review or appeal for a complainant or the Subject Member from a final decision of the Adjudicator under 4.6.

5. Interim suspension of membership

- 5.1 Following determination by the Complaints Reviewer under 3.6 above or by the Adjudicator on a review under 4.6 above, that the complaint is valid under 2.6 above, the Complaints Reviewer shall consider whether the complaint warrants the interim suspension of the Subject Member pending the final resolution of the complaint. Circumstances in which this would be considered include, but are not limited to:
 - 5.1.1 Where IPEM considers there may be substantial harm to the public
 - 5.1.2 Where IPEM considers there may be substantial harm to public confidence in the profession
 - 5.1.3 Where complaint resolution may be subject to significant periods of delay, for example where it is linked to an ongoing criminal or regulatory investigation.
- 5.2 The Complaints Reviewer shall appoint an Adjudicator who shall determine whether an interim suspension is to be applied and provide short written reasons for their decision.
- 5.3 The Complaint Resolution Advisor shall contact the Subject Member to advise them they are the subject of a valid complaint and, where appropriate, an interim suspension. The Subject Member is to be advised as to the nature of the Complaint Resolution Procedure and provided with a copy and advised as to their right to appeal the interim suspension order.
- 5.4 An appeal against the interim suspension decision by the Subject Member must be made in writing to the Complaints Reviewer, not later than 14 days after the date of the notification of the Adjudicator's decision, or at any time in the event of a significant change of circumstances.
- 5.5 An appeal in relation to an interim suspension decision will be heard by an Appeals Panel convened by the Complaints Reviewer for this purpose under section 15 of this Procedure.

6. Summary Procedure

- 6.1 Where a decision is made by the Complaints Reviewer under 3.6 above, or by the Adjudicator on a review under 4.6 above, that the conditions in 3.7 above are met, the Complaint will follow this summary procedure.
- 6.2 The Subject Member shall be provided with a statement of the complaint and the supporting evidence, including the decision or determination of any court, tribunal or relevant regulatory body which is relied upon.

- 6.3 The Subject Member shall be invited to provide a written statement in response to the Complaint, including any mitigation in relation to any matters which are admitted, within 28 days.
- 6.4 The response of the Subject Member shall be shared with the complainant (except for any confidential information relating to the Member's physical or mental health), who will be given an opportunity to provide any further comments in response in writing within 14 days. Any further comments received from the complainant will then be shared with the Subject Member who will be invited to provide any final written response within 14 days.
- 6.5 The initial complaint (including any relevant decision or determination or other supporting evidence), any written responses from the Subject Member and any written response from the complainant, shall be collated to form a final written statement of the complaint.
- 6.6 The Complaints Reviewer shall appoint an Adjudicator to consider the complaint, with the support of the Complaint Resolution Advisor and any legal advisors appointed by the Institute. Where an interim suspension has been imposed on the Subject Member (under section 5 above), a different Adjudicator shall consider the case.
- 6.7 The Adjudicator will then consider all the written material relating to the complaint set out in 6.5 above and decide if the complaint or any part of the complaint is upheld. They shall then decide whether any disciplinary action should be taken in relation to the Subject Member, and if so, what action to take. The sanctions available to the Adjudicator are the same as the sanctions available to the Summary Complaint Resolution Panel which are set out in Section 13 (Sanctions).
- 6.8 The complainant and Subject Member shall be notified of the Adjudicator's decisions and provided with written reasons.
- 6.9 Decisions made through the Summary Procedure may be subject to an appeal to an Appeals Panel as set out in Sections 14-16 below.
- 6.10 The Board of Trustees shall be notified of the outcome of the Summary Procedure by the Complaints Reviewer.

7. Full Complaint Resolution Procedure

- 7.1 Where a decision is made by the Complaints Reviewer under 3.6 above, or by the Adjudicator on a review under 4.6 above, that the conditions in 3.7 above are not met, the complaint will follow the full complaint resolution procedure.

- 7.2 The Complaint Resolution Advisor shall share with the Subject Member the written statement of the complaint and any available supporting evidence, and the Subject Member shall have 28 days to respond in writing.
- 7.3 The response of the Subject Member (except for any confidential information relating to the Subject Member's physical or mental health) shall be shared with the Complainant who will be given an opportunity to provide any further comments in response in writing within 14 days. Any further comments received from the complainant will then be shared with the Subject Member who will be invited to provide any final written response within 14 days.
- 7.4 The initial complaint, any written responses from the Subject Member and any written response from the complainant, shall be collated by the Complaint Resolution Advisor to form a final written statement of the complaint.
- 7.5 The first stage in the full complaint resolution procedure will be mediation, in accordance with section 8 below. Where mediation is not possible or fails, a complaint will then proceed to a Complaint Resolution Panel, as set out in section 8 below.

8. Mediation

- 8.1 As part of the full Complaint Resolution Procedure, in any case where the complaint is not to follow the Summary Procedure (Section 6), the Complainant and Subject Member may be requested in writing to consider engaging in a process of mediation, which is intended to bring about a consensual outcome to the complaint. Where either party does not wish to engage in mediation, their reasons should be set out in writing to the Complaints Reviewer.
- 8.2 Mediation is an informal process managed at the discretion of the Complaint Resolution Advisor and the Complaints Reviewer, who shall appoint a Mediator.
- 8.3 Mediation is a confidential process: no records will be kept afterwards, apart from where a party to the complaint does not wish to engage in mediation. The reasons given in these instances shall be shared with subsequent panels.
- 8.4 If a complaint involves one or more complainants any mediation must be undertaken by all the complainants.
- 8.5 If a complaint involves one or more Subject Members, unless the mediator and all the parties agree that a single mediation process can involve more than one Subject Member, a separate mediation process will be arranged for each Subject Member.
- 8.6 Mediation shall commence as soon as reasonably practicable and will end not more than three months after the Mediator has been appointed, unless a three-month extension is agreed with the parties, the Mediator and the Complaints Reviewer.

Save in exceptional circumstances, no more than one extension of the mediation period will be agreed.

- 8.7 The Mediator shall receive the written statement of the Complaint collated by the Complaint Resolution Advisor and any supporting material. The Mediator may investigate any facts and circumstances of the complaint with the parties during the mediation process.
- 8.8 The Complainant and the Subject Member are expected to speak for themselves at meetings arranged to facilitate mediation, but they may be accompanied by any other person they choose.
- 8.9 The Complainant and the Subject Member may state their position and any relevant issues in writing to the mediator at any time.
- 8.10 The Mediator does not have to reveal to the Complainant what they have been told by, or have said to, the Subject Member; and vice versa.
- 8.11 Mediation shall end if and when:
 - 8.11.1 The complaint is withdrawn by the complainant
 - 8.11.2 The mediator advises the Complaints Reviewer that mediation has been successful, and an informal settlement has been reached
 - 8.11.3 The mediator advises the Complaints Reviewer that mediation has been unsuccessful
 - 8.11.4 The Complainant or Subject Member(s) withdraw from the process of mediation.
 - 8.11.5 Three months have elapsed, and no agreement to continue mediation has been reached with the Complaints Reviewer.
- 8.12 Where one or more of the parties does not wish to engage in the mediation process or a complaint cannot be resolved by mediation, it shall proceed to a Complaint Resolution Panel.

9. Appointment of Complaint Resolution Panels and Appeals Panels

- 9.1 The Complaints Reviewer, with the help of the Complaint Resolution Advisor, shall appoint not fewer than three members of the pool of panellists to a Complaint Resolution Panel or Appeals Panel, as required, at least one of which shall be a lay member and at least two of which shall be full members or Fellows of IPEM. Any panel should be comprised of an odd number of panellists, with a majority of IPEM members.

- 9.2 The Complaints Reviewer shall ensure that a lay panellist is appointed as the chair of any Complaint Resolution Panels and Appeals Panels ('the Panel Chair').
- 9.3 No member of the pool of panellists shall participate in a panel where:

 - 9.3.3 They have prior knowledge of any matters relating to the complaint.
- 9.4 The Panel must participate throughout the proceedings. Panellists may absent themselves with the permission of the Panel Chair but may not participate in the Panel beyond this point. Decisions may also be made public by specific request of a Subject Member following a decision not to uphold a complaint. The Institute may redact personal and sensitive information where it considers it necessary to do so.
